Rotary Places Three Winners In March 15 Finals

Marble shooters of the Torrance Rotary club Saturday morning vied for top club honors in the Torrance Herald's Marble Tournament with Charles Camou easily grabbing the Junior High division win over Jarvis Watson. Raul Chavez defeated Jack White in the fourth grade while Alex Valencia polished off Bob Moon in the sixth grade group. The three Rotary winners will meet winners from the local Lions and 20-30 clubs in the finals March 15. The Lions and 20-30 mlg shooters will hold eliminations Saturday at 10 a.m. Cravens ave. and El Prado is the tournament site.

Justice's 278 Roll Here Marks Him Top Bowler

Sherrell Justice, who should be a red-hot candidate for the forthcoming ABC Tournament with a high bowl game of 278 and an enviable series of 704, is top man in the local alley, according to reports from the Torrance Bowling Academy. Justice rolls for Redondo Play in the Thursday night 850 scratch league. Despite his high markers, however, the Playboys place six in the mid-week roll. But according to the Academy Justice is not blamed for his team's position, which the 278 score proves.

Santa Monica; Jim Hurry, F. Beverly Hills; Jordan, G. Redondo Beach; Happy Jacobs, G. Redondo Beach; Sam Rothman, G. Beverly Hills. Honorable mention went to George Herron, Redondo; Bob Hammon, Redondo; Ed Artz, Beverly Hills; Ray Asaro, Leuzinger; John Kasser, Leuzinger; Ken Blieler, Beverly Hills; Don Jurk, El Segundo; Ray Heimbeck, Santa Monica; Gene Otsea, Inglewood; Jim Pollock, Santa Monica and Dick Entorf, Jordan.

Three-Fourths Of Vets Drop GI Insurance

Approximately three-fourths of the World War II veterans residing in and near the Torrance Area Veterans Service center have dropped their GI insurance, according to J. Harold Ryan, contact representative with the Veterans Administration at the Veterans Service center here. Thus the VA is beginning a vigorous campaign for insurance reinstatements during the next 90 days. An analysis made by the national office of the VA, showed insufficient knowledge about National Service Life Insurance to be the greatest cause for failure to serve terms of lapsed policies.

"Every effort will be made during the next three months to show veterans the real value of their NSLI policies," Ryan said in pledging full local cooperation to the nationwide campaign. "GI insurance is one of the best investments a veteran can make in security for himself and family. And now with the choice of different payment options, including lump sum, the unrestricted choice of beneficiaries and decentralization of administrative offices... it's a real bargain." Ryan said further that the specific plan of the campaign is to give veterans the facts with the belief that they will see the value of NSLI, if they actually knew more about it. An attempt will be made to enlist the cooperation of local veterans' organizations, civic and fraternal groups to help in the campaign.

Klunk's Cabbrio Mart, another top local cage team, will tackle Firestone Californians the following evening at 8:30 p.m. No admission, change is made for the tournament games. Elmer "Red" Moon, city recreation sports director said yesterday.

BASIC ENGINEERING

University of California Extension is offering a course for engineers in basic engineering atomic piles and their application in power plants.

COURTESY Courtesy, if exercised by all motorists today, would help in reducing the accident rate on our highways. Let the other fellow have his way. It only takes a second of your time, and time is cheap when compared with the cost of a human life.
